RESTROOM RENOVATION UPDATE

All of the demolition is more or less complete and the project is waiting on a mandatory inspection, which will take place early next week. Soon, we will begin installation of plumbing infrastructure and pour a new slab. The east door of the choir room will be filled in and patched, in order to allow for a gentle slope ramp (taking the place of the current step) to conform to ADA requirements.

The construction area is fenced off but **please keep careful watch over small children** during the anticipated eight weeks remaining of construction.
